Instructions

Preheat your oven to 350° F. Prepare an 8" x 13" baking dish with cooking spray. In a mixer or large bowl, combine the wet ingredients (sour cream, eggs, buttermilk, and oil) and whip until smooth. Add in the cake and pudding mix, blend together well, and set aside. Combine the cardamom and ginger with the melted butter and pour into the baking pan. Sprinkle all the light brown sugar over the butter. Layer the diced pear evenly over the sugar and pour the batter over the pear.

Bake for 50 minutes, or until a toothpick comes out clean from the center. Let cool completely, then cover the pan with a dish and flip over. Dust with confectioner's sugar and serve with ice cream.
